THERE is a great demand for labor all over the South, just now, while at the same time thousands of laborers are being turned out of the mills and factories of the North. What a pity the labor and the laborers are so far apart!

CAMERON COUNTY CATTLE.

Some Fine Stock from Santa Gertrudis—La Parra Steers Sold.

Alice Echo.

A representative of The Echo witnessed a grand stampede among the cattlemen of Alice this morning to the shipping pens to see the herd of strictly range cattle from the Santa Gertrudis ranch, en route to the fair at San Antonio. There were 21 head of as fat, smooth cattle as the writer ever saw coming off of grass. Among the lot were 31 head of cows, purchased by Ed East. And they are simply "Lulu poots," one of which will weigh 1600 pounds.

Mr. East paid the long price of \$40 each for these cows. Now boys hold your coats on and don't get excited for we don't think you can show up anything like them. The two year old hereford heifers we understand will be returned to Santa Gertrudis at the close of the fair. They are certainly very fine and any county should feel proud of producing such range stock and we congratulate the King ranch and Nueces county and hope the ribbon will come with those "white faces."

John Kenedy, of La Parra, sold 2100 yearling steers to Ira C. Jennings last Saturday to be delivered at Hebronville and from there Mr. Jennings will drive them to his pasture a few miles above Comita.

EASE AND DISEASE

A Short Lesson on the Meaning of a Familiar Word.

Disease is the opposite of ease. Webster defines disease as "lack of ease, uneasiness, trouble, vexation, disquiet." It is a condition due to some derangement of the physical organism. A vast majority of the "disease" from which people suffer is due to impure blood. Disease of this kind is cured by Hood's Sarsaparilla which purifies, enriches and vitalizes the blood. Hood's Sarsaparilla cures scrofula, salt rheum, pimples and all eruptions. It tones the stomach and creates a good appetite, and it gives vigor and vitality to the whole body. It reverses the condition of things, giving health, comfort and "ease" in place of "disease."
